An Important Message to All Car Buyers

What has made Preferred Warranties Inc. one of the fastest growing Extended Service Contract providers in the U.S.?

Dependability.

Preferred Warranties are available only through select dealerships. They've proven that they know cars, and that they deal in quality, dependable pre-owned vehicles.

But whether a car is new or used, foreign or domestic, things break. This is why the warranty you buy is every bit as important as the vehicle you buy. And this is why Preferred Warranties are being chosen by more and more car buyers every day.

When something breaks, Preferred Warranties has you covered. If the problem area is listed in the Preferred Warranty plan you've chosen, you can count on quality repairs and fast, hassle-free payment. Period.

You get peace-of-mind. We get the best advertising there is: the recommendations and loyalty of satisfied customers and dealers.

We welcome your comments, as well as any suggestions you might have on how we might improve our warranty plans and service. I invite you to write, fax or e-mail your comments directly to me. Remember, our goal is simple: Your Satisfaction. Guaranteed.

Sincerely,

Wayne Herring

PRESIDENT

P R E F E R R E D MOTORCYCLE /ATV FREEDOM PLAN

"What do I do if I think I have a claim?"

Call us. We'll tell you what to do next. Our phones are staffed during traditional business hours, six days a week, and our answering service is available to take messages 24 hours a day, every day.

"Can I use my regular repair shop?"

Yes. We'll be glad to work with them, and our experienced claims managers can make sure that the repairs are made right and the costs are fair. If you don't have a favorite shop, we can probably refer you to one in our network of quality repair centers.

"Who pays the shop?"

We make every effort to pay the shop directly so you keep your money in your pocket. If you choose a shop that won't accept direct payment, we'll reimburse you promptly.

"How long will that take?"

Less than a week. Once the repair is finished and we've received the paperwork, your claim will be processed and mailed within five working days. *Guaranteed!*

"What if something breaks when I'm out of town?"

With our vast network, we'll probably be able to find a quality repair center for you anywhere in the country.

"How do I get a Preferred Warranty?"

Only from your dealer when you purchase a vehicle. Just review the options, costs, and contract with your dealer, and choose your plan. No extra vehicle inspection will be necessary. You'll get your Preferred Warranty at the same time that you purchase your vehicle. *(NOTE: This will be your only chance. If you decline the coverage, you cannot change your mind at a later date.)*
